

The API Council Releases Statement on the Tragedy that Occurred in the City of Monterey Park

January 22, 2023, San Francisco, CA—An unexpected and horrific tragedy took place in the city of Monterey Park last night during Lunar New Year weekend, one of the most special and beautiful celebrations our community holds. Our hearts go out to the families of those who lost their loved ones and to those who were harmed. Monterey Park is home to one of the largest Asian American and Pacific Islander (AAPI) populations in the country. As fellow community members, we are grieving and stand in support with the AAPI community of Monterey Park during this sad time—our families deserve to celebrate in peace. API Council pledges its resources and support.
